Hin

Per the request of Pam, the following is provided.

Reference S-76D IPC CH 79-10-03 Figure. 1, Page 0, Item 4 shows ACOC lower ducts P/N 76302-77863-101 L/H, and -124 R/H.

Both ducts have gaskets between the duct flange and the ACOC housing flange. The gasket is not illustrated or called out in the IPC.

The correct P/N for the gasket is 76302-77863-107 for both the -101 and -124 ducts.

Also not shown or called out is the gasket for the P/N 76302-77863-105 ACOC inlet duct. The P/N for that gasket is 76302-77863-106.

Please let me know if further information is required.
