Subject: Hysol EA9309.3NA and EA9359 Alternate material

Grant

Provided for info.

Following is a CSE response to another FSR regarding availability of, and alternate materials for Hysol products EA9309.3NA and 9359.

Case Number: C0087637
Part Number: EA9309.3NA
Case Subject: Alternate material request for EA9309.3NA

Issue Description:

Some customers received a letter from the adhesive manufacture, Henkel that states supply of EA9309.3NA and EA9359.3 may be faced with a problem because of a force majeure event experienced by one of their raw material suppliers. The customers would like Sikorsky engineering to advise if any alternate adhesives are available for both EA9309.3NA and EA9359.3

This email notification is provided as the case has been reviewed and does not contain technical data in the issue description.

Problem Resolution:

Sikorsky has approved Magnobond 6168-1 as a replacement for EA9309.3NA.

Sikorsky is working to identify an EA9359.3 replacement and this adhesive will require significant qualification testing. No date is available yet for this alternate.

This email notification is provided as the case has been reviewed and does not contain technical data in the resolution.
