Daryl Dixon,

Sikorsky Aircraft has reviewed your request concerning the Windshield Wiper System switch. Sikorsky engineering has currently submitted a design change request to replace the existing switch part number MS27407-1 with lever lock switch part number MS27408-1G. At this point, no estimated time frame has been established for the change. Prior to the above noted change, Sikorsky Aircraft approves the use of MS27408-1G on aircraft 920279
