**Subject:** S-92 elastomeric rod end storage limits

Grant

Provided for your info and guidance.

Case Number: C0092620  
Aircraft Model: S-92A  
Case Subject: Rod End, Storage Limits

**Problem Description:**

Re S92A ROD END ASSEMBLY, MAIN ROTOR PITCH CONTROL, P/N SB7113-101, SB7113-102, SB7114-101

Above referenced P/Ns are sometimes, but not always, received with documentation showing an expiry date.

Please confirm that these elastomer bearings have a storage limit. Also, if there is a storage limit, are they scrap after this time, or are they to be returned to the manufacturer?

This email notification is provided as the case has been reviewed and does not contain technical data in the issue description.

**Problem Resolution:**

Based on the Sikorsky engineering parts database, the shelf life for all three items is listed as 60 months. After that, they are scrapped.

This email notification is provided as the case has been reviewed and does not contain technical data in the resolution.
